Reviewed: Annually

The term ‘school’ refers to the schools in the ASPIRE Federation: Kingswood Primary, Ulcombe CE Primary, Platts Heath Primary and Leeds and Broomfield CE Primary. The term may refer to them jointly or individually.

At our two Church of England schools this policy will be delivered through strong links made to our Christian values:

Leeds and Broomfield Church of England Primary School

“As many hands build a house, so many hearts make a school.”

(Matthew Ch 7 24-27)

RESPECT RESILIENCE EMPATHY CURIOSITY HONESTY

At Leeds and Broomfield we build strong foundations for the children, staff and all stakeholders to learn, flourish and fill their hearts with God’s love. Everyone is important valued and needed to make Leeds and Broomfield grow. We give a quality all round education which develops the whole child; If the rain came we would not fall down. Our school Christian Values support the development of the children and all within the school and local community. In the spirit of our vision and values all pupils are included, valued and respected. We support the pupils in talking about their feelings and giving them strategies in order to cope and survive in life today.

Ulcombe Church of England Primary School

“Unity and diversity in the body – one body, many members.”

(Corinthians Ch 12 12-27)

HOPE RESPECT ENDURANCE TRUST

At Ulcombe Church of England Primary School endurance plays an important role in both our social learning and cultural ethos, where children aspire to be the best they can be. Diversity is the key to our curriculum and opportunities to progress and succeed both academically and as individuals are provided – many members working in unity with respect for each other. Hope is at the heart of our school community and is explicitly shown by both children and adults in our school, regardless of where the path of life leads them. Through God’s love and trust each individual learns the skills important for them but also adds value to the community as a whole.

We are Ulcombe Church of England Primary School and each one of us is a part of it!

Definitions

Spiritual Development

Pupils' spiritual development is shown by their:

- beliefs, religious or otherwise, which inform **their perspective on life** & their **interest in & respect** for **different people's feelings & values**
- sense of **enjoyment** and **fascination** in learning about **themselves, others** and the **world around them**, including the intangible
- use of **imagination** and **creativity** in their learning
- willingness to **reflect** on their **experiences**

Moral Development

Pupils' **moral development** is shown by their:

- ability to **recognise** the difference between **right** and **wrong**, and their readiness to **apply** this understanding **in their own lives**
- understanding of the **consequences of their actions**
- **interest in investigating**, and offering **reasoned** views about, **moral** and **ethical issues**

Social Development

Pupils' **social development** is shown by their:

- **use** of a range of **social skills** in **different contexts**, including **working** and **socialising** with pupils from **different religious, ethnic and socio-economic backgrounds**
- **willingness to participate** in a **variety of social settings**, **cooperating well with others** and being able to **resolve conflicts** effectively
- **interest in**, and understanding of, the way **communities** and societies **function** at a variety of levels

Cultural Development

Pupils' **cultural development** is shown by their:

- understanding and appreciation of the wide range of cultural influences that have shaped their **own heritage**
- **willingness to participate** in, and **respond to**, for example, artistic, musical, sporting, mathematical, technological, scientific and cultural **opportunities**
- interest in **exploring**, understanding of, and **respect for cultural diversity** and the extent to which they **understand, accept, respect and celebrate diversity**, as shown by their **attitudes** towards **different religious, ethnic and socio-economic** groups in the **local, national and global communities**

Aims

As part of the ASPIRE federation, the children and their learning are at the very heart of every decision made. We aim to develop learners who are passionate, take ownership of their learning and are proud of their achievements.

The ethos of our school is such that all people who come into our school, whether staff, pupil, parent or visitor, are valued as individuals in their own right. They should set, and be entitled to expect from others, good standards of behaviour, marked by respect and responsibility.

The school will help the students to develop an inner discipline and will encourage pupils to not just 'follow the crowd' - they will make up their own minds and be ready to accept responsibility for what they do. They will grow through making choices and holding to the choices that they have made. They will want to be honest with themselves and with others.

Planning

In planning lessons, teachers are aware of the need to plan opportunities to develop a wide variety of spiritual, moral, social and cultural needs. A vast majority will be delivered through cross curricular activities as well as specific PSHE, RE and Circle Time activities.

Spiritual Development

Children are given opportunities to reflect upon the meaning of spiritual experiences across the school.

Examples of experiences commonly regarded as spiritual include:

- ✓ Curiosity and mystery
- ✓ Awe and wonder
- ✓ Connection and belonging
- ✓ Heightened self-awareness
- ✓ Prayer and worship
- ✓ Deep feelings of what is felt to be ultimately important
- ✓ A sense of security, well-being, worth and purposefulness

The federation will develop a climate or ethos within which all pupils can grow and flourish, respect others and be respected; accommodating difference and respecting the integrity of individuals.

These can occur during any part of the school day, eg. when listening to music, discussing the care needed for animals, exercising empathy or creativity, how we live, contemplating the future, etc.

Moral Development

The schools in the ASPIRE federation believe that a morally aware pupil will develop a wide range of skills.

These can include the following:

- Distinguish right from wrong, based on knowledge of the moral codes of their own and other cultures
- Develop an ability to think through the consequences of their own and others' actions
- Have an ability to make responsible and reasoned judgements
- Ensure a commitment to personal values
- Have respect for others' needs, interests and feelings, as well as their own
- Develop a desire to explore their own and others' views, and an understanding of the need to review and re-assess their values, codes and principles in the light of experience

Our school develops pupil moral development by:

- Providing a clear moral code as a basis for behaviour which is promoted consistently through all aspects of the school
- Promoting racial, religious and other forms of equality
- Giving pupils opportunities across the curriculum to explore and develop moral concepts and values – for example, personal rights and responsibilities, truth, justice, equality of opportunity, right and wrong
- Developing an open and safe learning environment in which pupils can express their views and practice moral decision making
- Rewarding expressions of moral insights and good behaviour
- Recognising and respecting the codes and morals of the different cultures represented in the school and wider community
- Encouraging pupils to take responsibility for their actions, for example, respect for property, care of the environment, and developing codes of behaviour, providing models of moral virtue through literature, humanities, sciences, arts and collective worship
- Reinforcing the school's values through images, posters, classroom displays, and monitoring in simple ways, the success of what is provided

Teachers always discuss with their classes a code of conduct for the classroom based on the values held by the school. We teach the children to be aware of their own actions, take responsibility for their own bodies and encourage independence. We will help the children to identify their feelings and think these through so that they are expressed in behaviour that is socially acceptable.

This is done through collective worship, circle time, Social Skills groups and SEAL/PSHE/Circle Time sessions. We are interested in the development of the whole child and will endeavour to raise their self-esteem through praise, stickers, Celebration worship other means that highlight both academic and social achievements (*please refer to our Behaviour Policy*).

Social Development

The schools in the ASPIRE federation recognise that pupils who are becoming socially aware are likely to be developing the ability to:

- Adjust to a range of social contexts by appropriate and sensitive behaviour
- Relate well to other people's social skills and personal qualities
- Work successfully, as a member of a group or team
- Share views and opinions with others
- Resolve conflicts maturely and appropriately
- Reflect on their own contribution to society
- Show respect for people, living things, property and the environment
- Exercise responsibility
- Understand how societies function and are organised in structures such as the family, the school
- Understand the notion of interdependence in an increasingly complex society

Our school develops pupil social development by:

Identifying key values and principles on which school and community life is based

- Fostering a sense of community, with common, inclusive values
- Promoting racial, religious and other forms of equality
- Encouraging pupils to work co-operatively
- Encouraging pupils to recognise and respect social differences and similarities
- Providing positive experiences to reinforce our values as a school community – for example, through assemblies/worship, team building activities, residential experiences, school productions
- Helping pupils develop personal qualities which are valued in a civilised society, for example, thoughtfulness, honesty, respect for difference, moral principles, independence, interdependence, self-respect and an awareness of others' needs
- Providing opportunities for engaging in the democratic process and participating in community life
- Providing opportunities for pupils to exercise leadership and responsibility
- Providing positive and effective links with the world of work and the wider community
- Monitoring in simple, pragmatic ways, the success of what is provided

Aspects that could be developed in school include:

- Peer Mediation
- Anti – Bullying Ambassadors
- Pupil Voice – led by school council encourages a whole school voice for/towards school development

Cultural Development

Children should be made aware of the diversity of other cultures both within modern Britain and throughout the world. This can be done through music, PE, art and many other curriculum areas.

Pupils who are becoming culturally aware are likely to be developing some or all of the following characteristics:

- An ability to reflect on important questions of meaning and identity
- An interest in exploring the relationship between human beings and the environment

Our school develops pupils' cultural development by:

- Extending pupils' knowledge and use of cultural imagery and language
- Encouraging them to think about special events in life and how they are celebrated
- Recognising and nurturing particular gifts and talents; providing opportunities for pupils to participate in literature, drama, music, art, crafts and other cultural events and encouraging pupils to reflect on their significance
- Reinforcing the school's cultural links through displays, posters, exhibitions, etc. As well as developing partnerships with outside agencies and individuals to extend pupils' cultural awareness, for example, theatre, museum and gallery visits
- Auditing the quality and nature of opportunities for pupils to extend their cultural development across the curriculum in collaboration with the subject leaders of PSHE, RE, MFL, ECO & School Council

The Key features of SMSC across the ASPIRE federation that go across many of the SMSC areas include:

- ✓ Lunchtime and After school clubs
- ✓ Collective Worship/Assembly
- ✓ Charity Support
- ✓ Competitions
- ✓ Learning Walks
- ✓ Themed Days
- ✓ Trips/Excursions
- ✓ School Council Involvement
