Annual Review

The term ‘school’ refers to the schools in the ASPIRE Federation: Kingswood Primary, Ulcombe CE Primary, Platts Heath Primary and Leeds and Broomfield CE Primary. The term may refer to them jointly or individually.

At our two Church of England schools this policy will be delivered through strong links made to our Christian values:

Leeds & Broomfield Church of England Primary School

At Leeds & Broomfield we build strong foundations for all; to learn, flourish and fill their hearts with God's love. Everyone is important, valued and needed to make L&B grow. We give a quality all round nurturing education which develops the whole child; If the rain came we would not fall.

"As many hands build a house, so many hearts make a school." (Matthew Ch 7 24-27)

RESPECT RESILIENCE EMPATHY CURIOSITY HONESTY

Our school Christian Values support the development of the children and all within the school and local community, giving the children and staff a positive outward looking view. The pupils and staff support and help each other and the local community enabling all to flourish.

We have explored the story of Matthew (Ch 7 24-27) showing curiosity, and the children felt empathy for the builder of the house on the sand, but said they must be resilient to try again. Jesus was honest with his followers and people followed and trusted him. The story continues showing how Jesus respected all and everyone who wanted to listen and learn could – no one was turned away. This high level of inclusion and respect is what makes Leeds and Broomfield a great school community to be part of 'many hearts make a school'.

Ulcombe Church of England Primary School

"Unity and diversity in the body – one body, many members." (Corinthians Ch 12 12-27)

HOPE RESPECT ENDURANCE TRUST

At Ulcombe Church of England Primary School endurance plays an important role in both our social learning and cultural ethos, where children aspire to be the best they can be. Diversity is the key to our curriculum and opportunities to progress and succeed both academically and as individuals are provided – many members working in unity with respect for each other. Hope is at the heart of our school community and is explicitly shown by both children and adults in our school, regardless of where the path of life leads them. Through God's love and trust each individual learns the skills important for them but also adds value to the community as a whole.

We are Ulcombe Church of England Primary School and each one of us is a part of it!

The School requires Employees to observe the highest standards of business / financial practice.

Employees should ensure that School / public funds with which they are entrusted are used in a responsible and lawful manner.

Employees must comply with the School's stipulated financial regulations and any other relevant policies / audit requirements.

Appropriate authorisation should be sought for any expenditure and audit trail / suitable records kept.

School monies, credit / debit cards and accounts should not be used for personal purposes.

The use of personal credit cards / accounts to purchase goods and services on behalf of the School should be avoided unless prior agreement from the Headteacher is obtained.

All expense claims for travel and subsistence should be appropriately authorised and accompanied by receipts / proof of purchase.

Personal loyalty cards should not be used when making purchases on behalf of the School.

Please also refer to the Local Authority's School Financial Control Guidance and the School's Finance Policy

31 Personal Use of Equipment and Resources

Employees may not make personal use of the School's property, materials or facilities unless authorised to do so by the Headteacher.

32 Declaration of Interests

The School recognises that Employees may wish to take an active role in the local community and undertake additional personal / business activities outside of work.

In the majority of instances such activities will have no impact on their role in School. However, on occasion there may be a potential conflict of interest.

Employees should therefore declare annually to the Headteacher any financial or non financial interests which may conflict with those of the School. Employees should also declare membership of any professional bodies / organisations which may conflict with their School role.

Should Employees be in doubt about whether a conflict of interest may exist they should seek guidance from the Headteacher (or Chair of Governors in the case of the Headteacher).

33 Contracting out of Services

Employees should follow agreed School protocols for the award of contracts to external providers.

Employees should adhere to School rules regarding the separation of roles in procurement / tendering process.

In particular care should be taken to ensure competition between prospective contractors is fair and open and that all competing parties are treated equally.

Employees should ensure that preferential treatment is not shown to current / former Employees or partners, close relatives or friends / associates in the award of contracts.

Employees must not accept any form of financial or other inducement which may be offered by a potential contractor. All such approaches should be reported to the Headteacher.

Confidential information relating to the tendering process, must not be disclosed to any unauthorised party or organisation.

34 Gifts and Hospitality

Employees should not accept significant gifts from parents / carers, pupils / students, actual or potential contractors or outside suppliers which could compromise the individual or the School.

Employees should notify the Headteacher should they receive any unsolicited gifts and return the item with a polite refusal letter to the sender. A record should be kept of all gifts which are received.

Small tokens of appreciation which have no substantial financial value (less than £25) such as presents from pupils / students at the end of term may be accepted and do not have to be declared.

Employees may only accept an offer of hospitality if there is a genuine need to do so in order to represent the School in the community. Employees should discuss any invitations with the Headteacher (or Chair of Governors in the case of the Headteacher).

Where the School receives sponsorship of a School activity / event, care should be taken to ensure that this does not infer that the sponsor will receive preferential treatment in any future contracting / tendering process. An Employee or their partner, family member or friend may not benefit from the sponsorship.

35 Personal Relationships at Work

Employees must not allow a personal relationship with a colleague, parent, Governor or member of the wider school community to influence their conduct at work or have a detrimental impact on the operation of the school.

Employees who are in a personal relationship should behave in an appropriate and professional manner during working time. Preferential treatment or advantage of any kind must not be given.

A personal relationship may be defined as:

- A family relationship
- A romantic / sexual relationship
- A close personal friendship outside of work
- A business, commercial or financial relationship

Employees are expected to disclose to the Headteacher where a personal relationship exists or develops with a parent of a pupil or where there is a pre existing family connection or friendship with a pupil and / or their family. There will be no requirement to give a detail account of the involvement. Where an individual is employed in a school in which their child / family member is a pupil, they should ensure that appropriate professional boundaries are maintained.

Employees are expected to disclose to the Headteacher any close personal relationship with a colleague / Governor. There will not be a requirement to give a detail account of the involvement.

Where a personal relationship exists or develops between members of staff where one party is in a supervisory relationship they must not be involved in the recruitment, appraisal, promotion, pay determination or any other management decision involving the other party.

In the case of the Headteacher any disclosures should be made to the Chair of Governors.

36 Political Activity

Employees may engage in political activity outside of work - however they should not allow personal / political views to interfere with their duties. Any activity should be compatible with the Employee's responsibility as a role model to pupils / students.

Where an Employee is involved in political activity outside of work - care must be taken to ensure that it is clear that any opinions expressed are personal and that the individual is not acting on behalf of / representing the School.

37 Intellectual Property

Any intellectual property created by an Employee during the course of their employment will be considered the property of the school, unless specific permission is granted to the Employee to have ownership of such materials.
