The term ‘school’ refers to the schools in the ASPIRE Federation: Kingswood Primary, Ulcombe CE Primary, Platts Heath Primary and Leeds and Broomfield CE Primary. The term may refer to them jointly or individually.

At our two Church of England schools this policy will be delivered through strong links made to our Christian values:

Leeds & Broomfield Church of England Primary School

At Leeds & Broomfield we build strong foundations for all; to learn, flourish and fill their hearts with God's love. Everyone is important, valued and needed to make L&B grow. We give a quality all round nurturing education which develops the whole child; if the rain came we would not fall.

"As many hands build a house, so many hearts make a school."

(Matthew Ch 7 24-27)

RESPECT RESILIENCE EMPATHY CURIOSITY HONESTY

Our school Christian Values support the development of the children and all within the school and local community, giving the children and staff a positive outward looking view. The pupils and staff support and help each other and the local community enabling all to flourish.

We have explored the story of Matthew (Ch 7 24-27) showing curiosity, and the children felt empathy for the builder of the house on the sand, but said they must be resilient to try again. Jesus was honest with his followers and people followed and trusted him. The story continues showing how Jesus respected all and everyone who wanted to listen and learn could – no one was turned away. This high level of inclusion and respect is what makes Leeds and Broomfield a great school community to be part of 'many hearts make a school'.

Ulcombe Church of England Primary School

"Unity and diversity in the body – one body, many members."

(Corinthians Ch 12 12-27)

HOPE RESPECT ENDURANCE TRUST

At Ulcombe Church of England Primary School endurance plays an important role in both our social learning and cultural ethos, where children aspire to be the best they can be. Diversity is the key to our curriculum and opportunities to progress and succeed both academically and as individuals are provided – many members working in unity with respect for each other. Hope is at the heart of our school community and is explicitly shown by both children and adults in our school, regardless of where the path of life leads them. Through God's love and trust each individual learns the skills important for them but also adds value to the community as a whole.

We are Ulcombe Church of England Primary School and each one of us is a part of it!

1. General Statement

This School recognises that there may be an increased risk to the health and safety of its employees whilst working alone. This procedure sets out our approach in both identifying these risks and adequately managing them. Any questions regarding its operation should be addressed to **the Executive Headteacher/Head of School**.

2. Definition

For the purposes of this procedure, a lone worker is an individual who spends some or all of their working hours working alone. This may occur (1) during normal working hours at an isolated location within the normal workplace, (2) when working outside normal business hours. These are deemed to be from between **07:30** and **18.00**, **Monday to Friday**.

3. Legal Position

Our duty to both assess and control any risks from lone working is governed by the **Health and Safety at Work Act 1974** (HSWA). S.2 requires us to ensure, so far as is reasonably practicable, the health, safety and welfare of our employees. Similar duties are owed to other workers, such as agency temps under s.3 of the HSWA. This will be achieved by carrying out risk assessments in accordance with the **Management of Health and Safety at Work Regulations 1999** (as amended).

4. Risk Assessment

Risk assessments will cover all work currently undertaken alone (or proposed to be), where the risk maybe increased by the work activity itself, or by the lack of on-hand support should something go wrong. Once all job roles involving lone working have been identified, the following factors will be considered:

- **Risk of violence** - All jobs involving an element of lone working will be assessed for a risk of verbal threats, or violence. The priority will be those involving face-to-face dealings with members of the public and/or cash handling.
- **Plant and equipment** - Plant and equipment used by lone workers will be assessed to ensure that it is suitable for use by one person.
- **Work at height** - Working at height will not be undertaken when working alone.
- **Chemicals** - Any existing, or planned use of chemicals will be considered with regards to their suitability for use by those working alone.
- **The worker** - The medical fitness of workers working alone will be assessed.
- **Access and egress** - Some lone working may require access to locations, which are difficult to access or exit. Assessments will consider whether these tasks are suitable to be carried out by one person.

5. Control Measures

In order to manage the risks identified, we have introduced the following control measures:

Risk of violence:

- Staff are required to lock themselves in the buildings when lone working.
- Staff must not arrange meetings with parents or members of the public when lone working. All meetings must be arranged during school occupancy times or when there is more than one member of staff on site for the duration for the meeting.
- Staff are required not to handle cash when lone working.
- Late meetings must finish promptly and not leave one member of staff alone on site.
- Staff must not approach, or let into the buildings, unauthorised persons when lone working.

NON-STATUTORY PROCEDURE

- All staff are required to give 24 hours notice to the Executive Headteacher/Head of School before lone working, either after hours or through holiday periods. The school will be locked during these periods.
- Staff attending alarm activations will only attend either with police support or in pairs. An outside check of the premises must be carried out, to ascertain if entry has been gained, before entering the school. If there is sign of an entry police support **must** be gained before entering the school.

Communication: Staff are advised to:

- Avoid lone working wherever possible by arranging to work in pairs or as a group.
- Sign in and off the site
- Carry either a mobile phone or school telephone at all times when lone working.
- Let someone know you are coming into work, how long you expect to be and when you are leaving.
- Comply with fire evacuation procedures and attend fire assembly points, ensuring that you are cleared to leave the site in the event of an incident.

First aid:

For those working on our premises, first aid kits can be found in staffrooms/kitchens and school offices.

Emergency procedures:

In the event that a lone worker falls ill, or into difficulties, they are to use their mobile phone/school phone to contact the Executive Headteacher/Head of School, the staff member's nominated person or the emergency services.

Access and egress:

Staff are required to consider weather conditions before coming into and while at work.

6. Unacceptable Lone Working

The following activities are not to be carried out by lone workers under any circumstances:

- **Working at height.**
- **Manual handling of heavy or bulky items.**
- **Transport of injured persons.**

7. Training

Lone workers will be trained in safe working practices. This will apply to employees and other workers where applicable, such as agency staff and contractors.

8. Line Managers

It is the responsibility of the head teacher, to monitor the tasks being carried out by staff. In particular, they are responsible for ensuring that any tasks described in section 6 are not carried out by one person alone. If the nature of the tasks change in any way, he must ensure that a new risk assessment is carried out.

They also need to ensure that any lone worker follows good working practices and safe systems of work.

9. Lone Worker Duties

All lone workers are expected to cooperate fully with instructions given by the head teacher. They are also expected to follow the school's safe systems of work and any associated procedures. Failure to do so, may be a disciplinary offence.
