The term 'school' refers to the schools in the ASPIRE Federation: Kingswood Primary, Ulcombe CE Primary, Platts Heath Primary and Leeds and Broomfield CE Primary. The term may refer to them jointly or individually.

At our two Church of England schools this policy will be delivered through strong links made to our Christian values:

Leeds & Broomfield Church of England Primary School

At Leeds & Broomfield we build strong foundations for all; to learn, flourish and fill their hearts with God's love. Everyone is important, valued and needed to make L&B grow. We give a quality all round nurturing education which develops the whole child; If the rain came we would not fall.

"As many hands build a house, so many hearts make a school."

(Matthew Ch 7 24-27)

RESPECT RESILIENCE EMPATHY CURIOSITY HONESTY

Our school Christian Values support the development of the children and all within the school and local community, giving the children and staff a positive outward looking view. The pupils and staff support and help each other and the local community enabling all to flourish.

We have explored the story of Matthew (Ch 7 24-27) showing curiosity, and the children felt empathy for the builder of the house on the sand, but said they must be resilient to try again. Jesus was honest with his followers and people followed and trusted him. The story continues showing how Jesus respected all and everyone who wanted to listen and learn could – no one was turned away. This high level of inclusion and respect is what makes Leeds and Broomfield a great school community to be part of 'many hearts make a school'.

Ulcombe Church of England Primary School

Ulcombe Church of England School is a nurturing, inclusive learning space, where our uniqueness inspires trust and welcomes diversity. Our children all flourish (for however long they are with us), in an environment where learning through making choices (good or bad) is not only embraced but discussed and, when needed, forgiven. This allows our learners to become positive role models in *their* wider communities. The whole school community works together in unity to ensure that our practice fully reflects the passage of Corinthians 12:12-14. The children and adults feel included and appreciated as one body with diverse cultures learning, working and flourishing together to accept everyone and nurture their aspirations for the future.

"One body, many members, learning together surrounded by God's inclusive love.."

(Corinthians 12:12-14)

ASPIRE FEDERATION Lockdown Procedures

All policies are underpinned by our child protection procedures as laid down by the child protection policy.

Lockdown procedures should be seen as a sensible and proportionate response to any external or internal incident which has the potential to pose a threat to the safety of staff and pupils in the school. Procedures should aim to minimise disruption to the learning environment whilst ensuring the safety of all pupils and staff.

Lockdown procedures may be activated in response to any number of situations, but some of the more typical might be:

- A reported incident/ civil disturbance in the local community (with the potential to pose a risk to staff and pupils in the school)
- An intruder on the school site (with the potential to pose a risk to staff and pupils)
- A warning being received regarding a risk locally of air pollution (smoke plume, gas cloud etc)
- A major fire in the vicinity of the school
- The close proximity of a dangerous dog/animal roaming loose

The school's lockdown plan is as follows:

Signals	
Signal for lockdown	Long continuous blowing of a whistle EHT to be informed immediately if not on site
Signal for all-clear	Verbal confirmation – telephone or in person

Lockdown		
Rooms most suitable for lockdown		All classes to remain in own classroom
Entrance points (e.g. doors, windows) should be secured		External doors Fire doors Internal doors All windows
Communication arrangements		Classroom telephones Mobile phones
Notes		If someone is taken hostage on the premises, the school should seek to evacuate the rest of the site.
Ref	Initial response- Lockdown	tick/sign/time
L1	Ensure all pupils are inside the school building. Alternatively, ask pupils to	

	<p>hide or disperse if this will improve their safety</p> <p>All Adults are responsible for their own class.</p>	
L2	<p>Lock / secure entrance points (e.g. doors & windows) to prevent the intruder entering the building . All adults.</p>	
L3	<p>Dial 999. Dial once for each emergency service that you require.</p> <p>All staff who have access to a telephone to do so.</p>	
L4	<p>Ensure people take action to increase protection from attack:</p> <ul style="list-style-type: none"> ● Block access points (e.g. move furniture to obstruct doorways) ● Sit on the floor, under tables or against a wall. ● Keep out of site. ● Draw curtains/blinds ● Turn off lights ● Stay away from windows and doors <p>All adults are responsible for their own class.</p>	
L5	<p>Ensure that pupils, staff and visitors are aware of an exit point in case the intruder does manage to gain access.</p> <p>All adults aware.</p>	
L6	<p>If possible, check for missing / injured pupils, staff and visitors. All adults.</p>	
L7	<p>Remain inside until an all-clear has been given, or unless told to evacuate by the emergency services.</p>	

- Staff will be alerted to the activation of the plan via blowing of a whistle continuously.
- Pupils who are outside of the school buildings are brought inside as quickly as possible, unless this endangers them or others. If children remain outside, they will move to the nearest place of safety on or off site.
- Those inside the school should remain in their classrooms.
- All external doors and, as necessary, windows are locked (depending on the circumstances, internal classroom doors may also need to be blocked).

- Once in lockdown mode, staff should notify the office immediately of any pupils not accounted for via telephone (mobiles to be used if an internal line not available) and instigate an immediate search for anyone missing if safe to do so.
- Staff should encourage the pupils to keep calm.
- As appropriate, communication with the Emergency Services will be established and Kent County Council notified.
- Parents will be notified as soon as it is practicable to do so via text message
- Pupils will not be released to parents during a lockdown
- If it is necessary to evacuate the building, the fire alarm will be sounded and everyone should leave the building via the nearest exit and assemble on the school field

It is of vital importance that the school's lockdown procedures are familiar to all members of the school staff. To achieve this, the lockdown procedures will be reviewed and discussed in staff briefings once a term.

Partial Lockdown

Alert to staff: "Partial lockdown"

This may be as a result of a reported incident / civil disturbance in the local community with the potential to pose a risk to staff and pupils in the school. It may also be as a result of a warning being received regarding the risk of air pollution, etc.

Immediate action:

- All outside activity to cease immediately, pupil and staff to return to the building. (Staff will be alerted via silent internal alarm and verbal communication).
- All staff and pupils remain in the building and external doors and windows locked.
- Movement may be permitted within the building dependent upon circumstances but this must be supervised by a member of staff.

All situations are different, once all staff and pupils are safely inside, senior staff will conduct an on-going any dynamic risk assessment based on advice from the Emergency Services. This can then be communicated to staff and pupils.

"Partial lockdown" is a precautionary measure but puts the school in a state of readiness (whilst retaining a degree of normality) should the situation escalate.

Emergency Services will advise as to the best course of action in respect of the prevailing threat.

Full Lockdown

Alert to staff: "Full lockdown"

This signifies an immediate threat to the school and may be an escalation of a partial lockdown.

Immediate action:

- All pupils to return to classroom.
- External doors locked. Classroom doors blocked.
- Windows locked, blinds drawn, pupils sit quietly out of sight under desks.
- Register taken/head count- the office will contact each class in turn for an attendance report via telephone.
- Staff and pupils remain in lock down until it has been lifted by a senior member of staff / emergency services.
- At any point during the lockdown, the fire alarm may sound, and a verbal message via telephone which is a cue to evacuate the building.
- During lockdown, staff will keep agreed lines of communication open, via telephone and e-mail, but will not make unnecessary calls to the central office as this could delay more important communication.

Communication between parents and the school

Advice re procedures is given in the school Newsletter and if available on the school website under the 'Important Information' tab.

In the event of an actual lockdown, any incident or development will be communicated to parents as soon as is practicable. Parents will be given enough information about what will happen so that they:

- Are reassured that the school understand their concern for their child's welfare, and that it is doing everything possible to ensure his/her safety.
- Do not need to contact the school. Calling the school could tie up telephone lines that are needed for contacting emergency providers.
- Do not come to the school. They could interfere with emergency provider's access to the school and may even put themselves and others in danger.
- Wait for the school to contact them about when it is safe for you to come and collect their children, and where this will be from.

Parents will be told:

“ ...the school is in a full lockdown situation. During this period the switchboard and entrances will be un-manned, external doors locked and nobody allowed in or out...”

Emergency Services

It is important to keep lines of communication open with Emergency Services as they are best placed to offer advice as a situation unfolds. The school site may or may not be cordoned off by Emergency Services depending on the severity of the incident that has triggered the lockdown.

Emergency Services will support the decision of the Executive Headteacher and/or Head of School with regarding the timing of communication to parents.

In the event of a prolonged lockdown or more severe scenario, Kent County Council has the capacity to provide humanitarian assistance by establishing a Reception Centre for family and friends outside of the cordoned area.
