ASPIRE FEDERATION
WE ASPIRE TO INSPIRE

A message from Mr Westlake

Happy Friday! The school has been buzzing with activity as usual this week. We have had a particular focus on mathematics as we continue working towards ensuring our pupils achieve outcomes above the national average. Early indications for our current Year 6 pupils are very encouraging, and we are hopeful of some excellent results later in the year.

We have also seen several new clubs get up and running, with children speaking particularly highly of our new Lego Club! It is wonderful to see pupils enjoying the wider opportunities available to them.

This week, we welcomed our School Improvement Adviser, who was impressed by the progress being made across the school, particularly in handwriting. We have placed an enormous emphasis on improving handwriting this term, so I was especially pleased that the children's hard work and the dedication of our staff were recognised.

With Christmas fast approaching, we have a number of exciting events planned, and parents will be invited to join us for various celebrations. Further details will be shared in due course.

I am also pleased to report that our whole-school attendance has returned to expected levels this week. My sincere thanks to all parents for doing everything possible to ensure their children attend school regularly. Every school day really does make a difference, particularly in a small school like ours, where every child counts.

Finally, our last Reception Open Day will take place on Friday 27 November. Our previous open days have been very well attended, and interest in this final event is looking particularly strong, potentially double that of previous sessions! It is fantastic to see Kingswood's growing popularity and so many families interested in joining our wonderful school community.

Thank you, as always, for your continued support. Have a lovely weekend!

Best regards,
Andrew Westlake
Head of School

Everything we do and every decision we make
must be in the best interests of the children.
